

| THURSDAY 24 MARCH 2022: DAY 1 | | | | | | |
|---|---|---|--|--|---|---|
| 8:00am - 7:30pm | Registration and Information Desk Open | | | | | |
| 8:50am-10:30am | Conference Opening and Plenary | | | | | |
| Room | Grand Ballroom 1&2 | | | | | |
| 8:50am - 8:55am | Welcome to Country | | | | | |
| 8:55am - 9:05am | Conference Opening | | | | | |
| 9:05am - 9:15am | Conference Opening Address Hon Jeremy Rockcliff MP, Minister for Mental Health and Wellbeing | | | | | |
| 9:15am - 10:45am | Plenary Session 1 | | | | | |
| Session Chair | Professor Eóin Killackey | | | | | |
| 9:15am - 10:00am | Time for united action on depression: a Lancet-World Psychiatric Association Commission Professor Helen Herrman | | | | | |
| 10:00am - 10:45am | The role of cannabinoids in the development and treatment of addiction and mental health disorders Dr Tom Freeman | | | | | |
| 10:45am -11:15am | Morning Tea & Poster Viewing | | | | | |
| 11:15am - 12:45pm | Concurrent Session 1A | Concurrent Session 1B | Concurrent Session 1C | Concurrent Session 1D | Concurrent Session 1E | Concurrent Session 1F |
| Room | Grand Ballroom 1 | Grand Ballroom 2 | Grand Ballroom 3 | Harbour View Room 2 | Chancellor Room 4 | Federation Ballroom |
| Session Chair | Prof Nick Glozier | Dr Yael Pery | Prof Stephen Wood | Prof Richard Gray | Prof Daniel Hermens | Dr Ellie Brown |
| Theme | Workplace Mental Health | Youth/Adolescent Mental Health | Depression, Psychosis, Substance Misuse | Epidemiology + Mental Health Services (Suicide) | MH Impacts of COVID | Lifestyle Interventions for MH |
| | Understanding and supporting Australian healthcare workers' mental health Ms Katherine Petrie, Matthew Coleshill, Diana Naehrig, Dr Samineh Sanatkar and Aimee Gayed 60 mins | Innovative Psychological Interventions for Common Mental Health Problems in Young People – Results of Six Clinical Trials Ms Lily Davidson, Prof Leanne Hides, Prof Sonja March, A/Prof Caroline Donovan and A/Prof Vanessa Cobham 60 mins | Exploring the impact of comorbid depression in psychosis and substance use disorders Prof Stephen Wood, A/Prof Liane Schmaal, Prof Frances Kay-Lambkin, Dr Sally Hunt and Ms Sarah Herniman 60 mins | A 16-year review of Australian coronial investigations into fatal poisonings involving clozapine Ms Jessica Dawson 12 mins | Precipitants and management of acute mental health-related emergency department presentations in Australian children and adolescents during the first ten months of the COVID-19 pandemic Mr Jackson Newberry-dupé 12 mins | Healthy Lifestyles for Healthy Brains: Understanding Community Attitudes and Acceptability for using Lifestyle Medicine to Enhance Brain Health Mr Joseph Pitt 12 mins |
| All-cause and cause-specific mortality in individuals with an alcohol-related emergency or hospital inpatient presentation: a data-linkage cohort study Ms Vivian Chiu 12 mins | | | | Protecting mental health during periods of financial stress: Evidence from the Australian Coronavirus Supplement income support payment Prof Peter Butterworth 12 mins | Understanding community perspectives on the acceptability of lifestyle medicine for treating mental illness in Australia Dr Karyn Richardson 12 mins | |
| Antidepressant Treatment trajectories and Suicide Attempt in the Australian 45 and Up study: a population study using individual prescription data Prof Gregory Carter 12 mins | | | | Employment and Mental Health for Young Australians During COVID-19: Findings from the Youth Employment Study Ms Stefanie Dimov 12 mins | Retraining the Body and Brain to Conquer Compulsions: Can Physical Exercise and Mindfulness Meditation Help? Dr Rebecca Segrave 12 mins | |
| Medicare-subsidised services accessed in the year before death from suicide in New South Wales, 2013-2019 Dr Kate Chitty 12 mins | | | | The impact of COVID-19 on Australian youth mental health and help-seeking: Perspectives from secondary school students and staff Dr Mirjana Subotic-Kerry 12 mins | An m-Health intervention is feasible and can change diet quality and mood in individuals with depression: the My Food & Mood program Dr Claire Young 12 mins | |
| Mental health service users' access to planned and emergency surgery in NSW: a data linkage study A/Prof Grant Sarah (presented by Miss Julia Hamer) 12 mins | | | | Impact of covid-19 and bushfires on the mental health of young Australians Dr Joanne Beames 5 mins | Improving youth mental health outcomes with surf therapy: A pilot randomized controlled trial Dr Lisa Olive 5 mins | |
| Suicide-related Internet search queries in India and worldwide following the celebrity suicide of Sushant Singh Rajput in India: an interrupted time series analysis Dr Gregory Armstrong 5 mins | | | | An investigation into the effect of the COVID-19 pandemic on the substance use behaviours and emotional wellbeing of Australian senior high school students Ms Rhiannon Ellem 5 mins | Lifestyle interventions for mental health and wellbeing: acceptability, preferences and barriers and facilitators to engagement among university students Dr Alexandra Metse 5 mins | |
| Emergency department staffs' experience of providing care to individuals presenting with suicidal thoughts or behaviour – a qualitative exploration Miss Demee Rheinberger 5 mins | | | | Risk and resilience factors for mental health among young adults during COVID-19: Understanding the role of health behaviours, resilience and stressful life events Ms Amarina Donohoe-Bales 5 mins | Associations between clusters of lifestyle risk behaviours and hierarchical dimensions of psychopathology in adolescents Dr Lauren Gardner 5 mins | |

| | | | | | | |
|-------------------------|--|---|--|--|--|--|
| | Impacts of depression, anxiety and stress levels on empathy and emotion recognition of Australian healthcare workers during COVID-19 Miss Ayse Sakar 12 mins | The LifeBuoy app: A randomised controlled trial of a mHealth intervention to help young people manage suicidal thoughts Dr Michelle Tye 12 mins | Dynamic networks of psychological symptoms, impairment, substance use, and social support: an examination of the evolution of psychopathology across late adolescence and early adulthood Dr Jacob Crouse 12 mins | People at risk of suicide who are not receiving mental health care: a systematic review Dr Samantha Tang 5 mins | The Relationship Between Age, Country of Residence and Mental Health During the COVID-19 Pandemic: A Latent Growth Modelling Study Ms Savannah Minihan 5 mins | A pilot randomised controlled trial of interventions to promote adoption and maintenance of physical activity in adults with mental illness Dr Justin Chapman 5 mins |
| | Main Outcomes of a peer led transdiagnostic psychoeducation and skills based intervention for military, veteran and first responder personnel: the evaluation of Group STAIR and peer facilitators Dr Jonathan Lane 12 mins | Climate Schools: Universal mental ill-health and substance use prevention programs for adolescents Ms Lyra Egan 12 mins | The Clinical and Functional Outcomes of Young People Accessing Early Psychosis Services Dr Ellie Brown 12 mins | People who die by suicide without receiving mental health services: A systematic review Dr Natalie Reily 5 mins | The mental health of those unemployed due to COVID-19: A longitudinal study of protective and risk factors Dr Andrew Arena 5 mins | Efficacy of real-world interventions on managing metabolic disturbance in Australian patients taking antipsychotics Prof Malcolm Hopwood 5 mins |
| 12:45pm - 1:45pm | Lunch & Poster Viewing | | | | | |
| 12:45pm - 1:45pm | Pitch Session Brainstorm | | | | | |
| 1:45pm - 3:15pm | Plenary Session 2 | | | | | |
| Room | Grand Ballroom 1&2 | | | | | |
| Session Chair | Professor Angela Martin | | | | | |
| 1:45pm - 2:30pm | Professor Tony LaMontagne | | | | | |
| 2:30pm - 3:15pm | Dr Miranda Van Hoof | | | | | |
| 3:15pm - 3:45pm | Afternoon Tea & Poster Viewing | | | | | |
| 3:45pm - 5:00pm | Concurrent Session 2A | Concurrent Session 2B | Concurrent Session 2C | Concurrent Session 2D | Concurrent Session 2E | Concurrent Session 2F |
| Room | Grand Ballroom 1 | Grand Ballroom 2 | Grand Ballroom 3 | Harbour View Room 2 | Chancellor Room 4 | Federation Ballroom |
| Session Chair | A/Prof Amanda Neil | Prof Leanne Hides | Prof Tony LaMontagne | A/Prof Tim Slade | Prof Anthony Harris | Dr Fiona Cocker |
| Theme | Epidemiology | Youth/Adolescent Mental Health | Workplace Mental Health | Anxiety, Depression & Mood Disorders | Genetics | Architecture of MH Research - the details |
| | The Australian Early Psychosis Collaborative Consortium (AEPCC): Establishing an important enabling infrastructure for early psychosis research and clinical service quality improvement Prof Andrew Thompson 12 mins | Long-term effectiveness of school-based mental health and substance use prevention: From early adolescence to early adulthood Prof Maree Teesson, A/Prof Cath Chapman, Prof Nicola Newton, Dr Katrina Champion and Ms Joahna Perez 60 mins | Contemporary issues in workplace mental health research and practice Angela Martin, Leanne Faulkner, Kate Memish, Adam Nebbs, Yohana Franklin and Erica Crome 60 mins | A Randomised Controlled Trial of a Help-Seeking Intervention in Adolescent Males Prof Jennie Hudson 12 mins | Dissecting schizotypy and its association with cognition and polygenic risk for schizophrenia in a non-clinical sample Dr Jeggan Tiego 12 mins | The proportion of time Australian adults spend in psychological distress over an 18-year period in the HILDA study Dr Richard Burns 12 mins |
| | The ALIVE National Centre for Mental Health Research Translation Prof Victoria Palmer 12 mins | | | Accelerated 7-day online CBT for anxiety disorders: initial findings from two pilot trials A/Prof Jill Newby 12 mins | Could a genetic diathesis represented by suicidal phenotype be implicated in the coincidence of anxiety and eating disorders? Dr Kate Fairweather 12 mins | Service access, economic challenges, and health and wellbeing for mental health carers Mr Lukas Hofstätter 12 mins |
| | Australian Eating Disorders Research and Translation Strategy Dr Sarah Maguire 12 mins | | | Internet interventions for panic disorder: An RCT comparing cognitive behavioural therapy and exposure therapy A/Prof Jill Newby 12 mins | Pairwise genetic meta-analyses between schizophrenia and substance dependence reveals novel genes and pathways associated with these comorbidities Ms Laura Greco 12 mins | The effects of combined physical and cognitive training on inhibitory control: a systematic review and meta-analysis Miss Sakshi Dhir 12 mins |
| | Mental Health Australia General Clinical Trial Network (MAGNET) Prof Michael Berk 12 mins | | | Use of smartphone apps in bipolar disorder: An international web-based survey of feature preferences and privacy concerns Dr Emma Morton 12 mins | Rethinking the translation of polygenic risk score information in clinical mental health practice Prof Sarah Medland 12 mins | "I felt seen by this chatbot": A qualitative focus group study to develop a positive body image chatbot called "KIT" Dr Gemma Sharp 12 mins |
| | Growing Minds Australia Clinical Trials Network (GMA-CTN) Prof Mark Dadds 12 mins | | | Retrospective reporting of medication discontinuation in the Australian Genetics of Bipolar Disorder Study A/Prof Penelope Lind 12 mins | The ribosome as a molecular target of psychotropic drugs Dr Zoe SJ Liu 12 mins | "Oh its changed, its changed 10-fold": Exploring the experience of self-concept change from the perspective of people with Multiple Sclerosis Miss Holly Emery 5 mins |
| | | | | Assessing the Benefit-Risk Ratio of Agomelatine for Generalized Anxiety Disorder using Likelihood to be Helped or Harmed (LHH) Analysis Dr Jon-Paul Khoo 5 mins | Using genetic risk scores to dissect heterogeneity between depression subtypes in the Australian Genetics of Depression Study Miss Brittany Mitchell 12 mins | A predictive coding account of value-based learning in PTSD: implications for precision treatments Dr Andrea Putica 5 mins |

| | | | | | | |
|-----------------|---|---|--|---|--|--|
| | | Should we screen? Weighing up the benefits and harms of universal mental health screening in secondary schools Dr Simon Baker <i>12 mins</i> | What clinical challenges are associated with diagnosing and managing work-related mental health conditions? A qualitative study in general practice Dr Samantha Chakraborty (presented by Dr Vera Costa) <i>12 mins</i> | Efficacy of agomelatine for anxiety symptoms in adult patients with major depressive disorder Dr Jon-Paul Khoo <i>5 mins</i> | | |
| 5:00pm - 5:30pm | SMHR Annual General Meeting - Grand Ballroom 1&2 | | | | | |
| 5:30pm - 7:30pm | Welcome Reception - Harbour View Room 1 | | | | | |
| | | | | | | |

| FRIDAY 25 MARCH 2022: DAY 2 | | | | | | |
|--|--|---|--|--|--|---|
| 8:00am - 6:00pm | Registration and Information Desk Open | | | | | |
| 9:00am - 10:30am | Plenary Session 3 | | | | | |
| Room | Grand Ballroom 1&2 | | | | | |
| Session Chair | Prof Jennifer Hudson | | | | | |
| 9:00am - 9:45am | COVID-19 and suicide Professor Jane Pirkis | | | | | |
| 9:45am - 10:30am | Professor Kimberley Norris | | | | | |
| 10:30am - 11:00am | Morning Tea & Poster Viewing | | | | | |
| 11:00am - 12:30pm | Concurrent Session 3A | Concurrent Session 3B | Concurrent Session 3C | Concurrent Session 3D | Concurrent Session 3E | Concurrent Session 3F |
| Room | Grand Ballroom 1 | Grand Ballroom 2 | Grand Ballroom 3 | Harbour View Room 2 | Chancellor Room 4 | Federation Ballroom |
| Session Chair | Dr Sally Fitzpatrick | A/Prof Kelly Allott | A/Prof Jo Robinson | Prof Patrick McGorry | Dr Adriana Nevarez-Flores | Prof Cathy Mihalopoulos |
| Theme | Carers Mental Health | Cognition | Young People in Distress | Young People | Suicide & Suicide Prevention | Epidemiology & Mental Health Services |
| | Caring for those who care: Meeting the needs of those who support family and friends experiencing mental ill-health, physical illness, or suicidal distress Dr Sally Fitzpatrick, Sarah Wayland, Ellyse Fitzgeraldson and Hannah Cootes 60 mins | Understanding cognitive impairment in mental illness: prevalence, course, and relationship to diagnosis and outcome A/Prof Kelly Allott, Dr Alexandra Stainton, Dr Jacob Crouse, Mr Nicholas Cheng and Prof Stephen Wood 60 mins | YOUTH: Centre of Research Excellence for reducing suicidal thoughts and behaviours in young people presenting for health care A/Prof Jo Robinson, A/Prof Jo-An Occhipinti, Dr Frank Iorfino, Dr Adam Skinner, Gowri Rajaam and Charlie Cooper 60 mins | VR4VR: Virtual reality to support vocational recovery of young people with mental ill-health Dr Jennifer Nicholas 12 mins | Investigating the experience of disclosing suicidal ideation to others Ms Isabelle Yujuico 5 mins | The effects of grief on older people's health, wellbeing and health service use Dr Lidia Engel 12 mins |
| Aggression and mental ill-health in adolescent friendship groups: A 4-year longitudinal study Miss Emma Devine 12 mins | | | | Reducing suicide risk in older men: the role of suicide literacy and helping behaviours Prof Nicola Reavley 5 mins | Vaccine preventable hospitalization rates in mental health service users: a shot in the arm is needed? A/Prof Grant Sara 12 mins | |
| A lifestyle blueprint for mental health? Examining modifiable behaviours associated with mental health in early adolescence Miss Scarlett Smout 12 mins | | | | Evaluating a suicide prevention training program for Pharmacists: A pilot study in Tasmania Dr Joanna Moullin 12 mins | Maternal immune activation and the gut microbiome in offspring Ms Svetlana Vasileva 12 mins | |
| Transdiagnostic progression of mood and psychotic symptoms from adolescence to young adulthood: an empirical study using the ALSPAC birth cohort Dr Aswin Ratheesh 12 mins | | | | Improving detection and referral for students at elevated suicide risk Prof Penelope Hasking 12 mins | "What do I say? How do I say it?" Twitter as a knowledge dissemination tool for Australian mental health research Ms Erin Madden (presented by Dr Louise Thornton) 5 mins | |
| The last silo? Sexual health in youth mental health: the co-development of a novel intervention following the Medical Research Council guidelines on complex interventions Dr Ellie Brown 12 mins | | | | The effectiveness of an Australian community suicide prevention networks program in preventing suicide Dr Amy Morgan 12 mins | Community members' discrimination of mental health and psychological wellbeing Dr Richard Burns 5 mins | |
| Climate Schools Plus: the trials and tribulations of engaging parents Ms Chloe Conroy 5 mins | | | | "A sustained, productive, constructive relationship with someone who can help" – a qualitative exploration of the experience of help seekers and support persons using the ED during a suicide crisis Miss Demea Rheinberger 5 mins | How well can your smartphone measure how much you smoke? Systematic review of the measurement properties of smartphone-based approaches to assess tobacco use Miss Bridie Osman 5 mins | |
| Does school connectedness have a role in addressing anxiety and depression in young people? Dr Monika Raniti 5 mins | | | | Self-harm and dementia. Protocol of an inclusive research project to inform strategies for self-harm and suicide prevention Dr Simone Reppermund 5 mins | Analysis of data items and gaps in administrative collections of mental health services activity and capacity data for integrated, regional mental health service planning Ms Claudia Pagliaro 5 mins | |
| Delivery and effectiveness of school-based mental health promotion and early intervention programs in New South Wales, Australia A/Prof Kristin Laurens 5 mins | | | | Psychological distress as a risk factor for all-cause, chronic disease- and suicide-specific mortality: A prospective analysis using data from the National Health Interview Survey Ms Meghan Hockey (presented by Prof Adrienne O'Neil) 5 mins | Applying evidence-based modelled service benchmarks to inform integrated regional health planning: implementation lessons from the National Mental Health Service Planning Framework Dr Sandra Diminic 5 mins | |

| | | | | | | |
|-------------------------|--|---|---|--|--|--|
| | Caring for young carers: understanding the mental health impacts of caring among an under-identified group Dr Tania King 12 mins | Adolescent mental health and cognition, correlates of resting-state interregional phase-amplitude coupling Mr Dashiell Sacks 12 mins | Flourishing or floundering? Psychological distress and wellbeing in a nationally representative community sample of young Australians Dr Dimity Crisp 12 mins | The role of offline and online social rejection sensitivity in young people's mental health Dr Susanne Schweizer 5 mins | | What do mental health nurses do? A concept mapping study Mr Nompilo Moyo 5 mins |
| | Co-designing an integrated Child and Family Hub for families experiencing adversity Dr Teresa Hall 12 mins | A thalamo-centric neural signature for restructuring negative self-beliefs Dr Trevor Steward 12 mins | Cyberbullying prevalence in Australian adolescents: Time trends 2015-2020 Miss Nora Trompeter 12 mins | | | Breaking down silos: Transdisciplinary collaboration using material objects Professor Katherine Boydell (presented by Dr Joanne Beames) 5 mins |
| 12:30pm - 1:30pm | Lunch & Poster Viewing | | | | | |
| 1:30pm - 3:00pm | Plenary Session 4 | | | | | |
| Room | Grand Ballroom 1&2 | | | | | |
| Session Chair | Prof Alison Calear | | | | | |
| 1:30pm - 2:15pm | Professor Kim Felmingham | | | | | |
| Session Chair | Dr Deborah Mitchison | | | | | |
| 2:15pm - 3:00pm | Eating Disorders Research Panel - Laura Hart, Philippa Hay, Tracey Wade, Deborah Mitchison, AJ Williams | | | | | |
| 3:00pm - 3:30pm | Afternoon Tea & Poster Viewing | | | | | |
| 3:30pm - 5:00pm | Concurrent Session 4A | Concurrent Session 4B | Concurrent Session 4C | Concurrent Session 4D | Concurrent Session 4E | Concurrent Session 4F |
| Room | Grand Ballroom 1 | Grand Ballroom 2 | Grand Ballroom 3 | Harbour View Room 2 | Chancellor Room 4 | Federation Ballroom |
| Session Chair | Prof Nicola Reavley | A/Prof Ashleigh Lin | Prof Ian Hickie | Dr Sally Hunt | A/Prof Kristin Laurens | Dr Jonathan Lane |
| Theme | Children & Trauma in Childhood | Youth Suicide | Digital Interventions | Epidemiology | Mental Health and Justice | Psychopharmacology |
| | Designing mental health services to suit children with chronic medical conditions Dr Jemimah Ride 12 mins | Mixed methods approaches to suicide prevention: research from Western Australia A/Prof Ashleigh Lin, Dr Nicole Hill, Dr Yael Perry, Ms Jacinta Freeman and Ms Larissa Marion 60 mins | Blending Innovative Digital Interventions within Mental Health Services: The Next Frontier Mx Lee Valentine, Prof Mario Alvarez-Jimenez, Dr Jennifer Nicholas, Prof Ian Hickie, Dr Alexis Whitton and Prof Frances Kay-Lambkin 60 mins | Maternal and infant outcomes in women with severe mental illness: an observational study using the Victorian Perinatal Data Collection Dr Kristina Edvardsson 12 mins | Improving thinking skills in young people in custody with mental health conditions using social cognitive and neurocognitive remediation therapy: A feasibility pilot study Ms Rene Jones 12 mins | Efficacy of switching to lurasidone and aripiprazole on managing metabolic disturbance in Australian patients taking antipsychotics Prof Malcolm Hopwood 12 mins |
| | Promoting mental health among children with dyslexia: A pilot randomised-controlled trial of the Clever Kids program A/Prof Mark Boyes 12 mins | | | Medicare Benefits Schedule reform for community treatment of eating disorders in Australia: a national study of the first 16 months of operation Dr Sarah Maguire 12 mins | Police officers and public mental health: a focus on vulnerability and the role of police in service brokerage Dr Isabelle Bartkowiak-théron 12 mins | Preventing Antipsychotic Induced Weight Gain – An RCT of Metformin to Ameliorate Weight Gain with Clozapine Prof Dan Siskind 12 mins |
| | Disengaged Parenting as a Distinct and Insidious Component of Childhood Emotional Neglect Ms Elmie Janse Van Rensburg 12 mins | | | Patient characteristics and psychological factors as predictors of treatment completion in residential substance use treatment Mr Calvert Tisdale 12 mins | Understanding the core service components required in a forensic mental health system: an adapted Delphi survey Ms Charlotte Comben 12 mins | Adjunctive minocycline for major depressive disorder: Pooled data from two randomized controlled trials A/Prof Olivia Dean 12 mins |
| | The emotional work of getting help: A qualitative analysis of barriers to responding to childhood adversity Dr Sarah Loveday 12 mins | | | Does adding social cognitive remediation therapy to neurocognitive remediation therapy improve outcomes in young people with a severe mental illness? – the Advantage trial Prof Anthony Harris 12 mins | Building relationships that enhance treatment: Therapeutic alliance on the Drug Court Program Ms Clara Fritchley (presented by Dr Emma Barrett) 12 mins | Assessing the impact of commencing long-acting injectable antipsychotics at discharge in an adult mental health unit Miss Belinda Wilson 5 mins |
| | Transdiagnostic assessment protocol for neurodevelopment and mental health: a harmonised national data collection network for neurodevelopmental disorders Dr Kelsie Boulton 5 mins | | | Self-management interventions as a priority for people with long-term mental health conditions Dr Alyssa Milton 12 mins | Suicide in adults following release from prison: Findings from the multi-national Mortality After Release from Incarceration Consortium (MARIC) A/Prof Rohan Borschmann 12 mins | Australian primary care patients' efforts to cease antidepressant treatment Ms Amy Coe 5 mins |
| | Health-related quality of life in children aged 4-17 years with comorbid mental and physical health problems Ms Rachel O'Loughlin 5 mins | | | | Supporting carer rights in mental health service settings Mr Lukas Hofstätter 5 mins | Developing a person centered low secure model of care for forensic populations in NSW: Exploring the challenges and opportunities for Credentialed Mental Health Nurses Mr Cephas Chiduku 12 mins |

| | | | | | | |
|-----------------|--|--|--|--|---|--|
| | <p>Feasibility of a Child and Family Hub within Community Health Services to better identify and respond to family adversity as a determinant of child mental health: A qualitative study Dr Suzy Honisett 5 mins</p> | <p>Community-based suicide prevention for youth in rural areas: the missing piece of the puzzle? Ms Laura Grattidge 12 mins</p> | <p>Are we making Inroads? Results of an RCT of a psychologist-supported, web-based, cognitive behavioural therapy intervention to reduce anxiety and hazardous alcohol use among emerging adults Ms Tara Guckel 12 mins</p> | <p>Keep Quitting in Mind: evaluation of a tobacco cessation service for people living with severe mental illness Dr Hamish Fibbins (presented by Ms Rachel Morell) 5 mins</p> | <p>Reducing suicide in people who have had contact with the criminal justice system: A rapid review evidence check for the National Suicide Prevention Taskforce A/Prof Rohan Borschmann 12 mins</p> | <p>Biological mechanism(s) underpinning the propensity of antipsychotic drugs to cause weight gain Dr Bruna Panizzutti 5 mins</p> |
| | <p>The Effect of Child Maltreatment on Adult Survivors' Parental Reflective Function, and Attachment of their Children: A Systematic Review Ms Elmie Janse Van Rensburg 5 mins</p> | <p>Non-disclosing youth: findings from a cross-sectional study to understand why young people do not disclose suicidal thoughts to their mental health professional Dr Lauren McGillivray 12 mins</p> | <p>"They refused to do initial assessment on telehealth": eHealth may pose challenges to risk assessment in mental health, but non-response is not the answer Miss Campbell Tickner 12 mins</p> | <p>Emotion dysregulation and eating disorder symptoms in adolescents: Examining unique associations and interactions Miss Nora Trompeter 5 mins</p> | | <p>Approach bias modification during alcohol withdrawal treatment: Results from a multi-site double-blind randomised controlled trial Dr Joshua Garfield 5 mins</p> |
| | <p>Does childhood trauma affect treatment outcomes among individuals with bipolar disorder? A systematic review and meta-analysis Miss Anna Wrobel 5 mins</p> | | | <p>BrainPAC+: a neuroscience-informed, expert-endorsed, and gamified digital platform for assessing the 'vital-signs' of decision-making, lifestyle behaviour, and mental health. Prof Murat Yucel 5 mins</p> | | <p>Lurasidone in adolescents with schizophrenia: Remission and recovery during 2 years of open-label treatment Prof David Coghill 5 mins</p> |
| | | | | | | <p>Efficacy and safety of lurasidone in adolescents and young adults with schizophrenia: Pooled analysis of double-blind, placebo-controlled 6-week studies Prof David Coghill 5 mins</p> |
| 5:00pm - 6:00pm | Pitch Session Grand Ballroom 1 | | | | | |
| 6:00pm - 7:30pm | Early to Mid Career Researcher Networking Drinks | | | | | |

SATURDAY 26 MARCH 2022: DAY 3

| | |
|----------------------|---|
| 8:30am - 5:00pm | Registration and Information Desk Open |
| 9:00am - 10:30am | Plenary Session 5 |
| <i>Room</i> | <i>Grand Ballroom 1&2</i> |
| <i>Session Chair</i> | <i>Prof Frances Kay-Lambkin</i> |
| 9:00am - 9:45am | SMHR Oration |
| 9:45am - 10:30am | Mental Health Research Architecture and Policy Prof Victoria Palmer, Dr Sarah Maguire, Prof Andrew Thompson, Prof Michael Berk and Prof Mark Dadds |
| 10:30am - 11:00am | Morning Tea & Poster Viewing |

| 11:00am - 12:30pm | Concurrent Session 5A | Concurrent Session 5B | Concurrent Session 5C | Concurrent Session 5D | Concurrent Session 5E | Concurrent Session 5F |
|--|---|---|---|---|---|---|
| Room | Grand Ballroom 1 | Grand Ballroom 2 | Grand Ballroom 3 | Harbour View Room 2 | Chancellor Room 4 | Federation Ballroom |
| Session Chair | Dr Vanessa Cropley | Prof Lara Farrell | Prof Victoria Palmer | Prof Sonja March | Prof Dan Siskind | Dr Isabella Choi |
| Theme | Sleep and Mental Health | Digital Innovations in Youth Mental Health | Lived Experience in Mental Health Research | MH and COVID | Psychosis | Workplace Mental Health |
| | <p>Sleep and mental illness: moving towards mechanisms and clinical translation Dr Vanessa Cropley, Dr Daniel Hermens, Ms Rebecca Cooper and Dr Megan Kalucy 60 mins</p> | <p>Innovations in mental health interventions for children and adolescents: the power of parents, schools and digital technologies in meeting the mental health needs of Australian youth most at risk Prof Lara Farrell, Ms Jules Finch, Dr Julia Rudolph, Dr Rachael Murrhiy, Dr Anna Dedousis-Wallace and Ms Natalja Nabinger de Diaz 60 mins</p> | <p>The grain in the silos: Showcasing models of lived experience involvement in mental health services and suicide prevention research A/Prof Michelle Banfield, Amelia Gulliver, Alyssa Morse, Grenville Rose, Bridget Berry, Victoria Palmer and Elise Dettman 60 mins</p> | <p>Antidepressant use in Australia and changes during the COVID-19 pandemic: A nationwide analysis 2016-2020 Mrs Juliana De Oliveira Costa 12 mins</p> | <p>Long-term neurocognitive predictors of clinical outcomes following a first episode of psychosis Dr Amity Watson 12 mins</p> | <p>Development and Implementation of a smartphone-based intervention to promote health and mental wellbeing in emergency service workers – the Build Back Better App Dr Denise Meuldijk 5 mins</p> |
| <p>A Randomised Clinical Trial of the Effectiveness of a Videoconferencing-Delivered Psychological Intervention for Mental Health Problems During COVID-19 Prof Richard Bryant 12 mins</p> | | | | <p>Transition points: a qualitative journey through Early Intervention and Psychosis Services for young people and their families Dr Alyssa Milton 12 mins</p> | <p>Psychological contract breach, moral injury, and mental health in the Australian Defence Force Mrs Jennifer O'Neill George 5 mins</p> | |
| <p>Impact of COVID-19 on people with heroin dependence: Preliminary findings from the 20-year follow-up of the Australian Treatment Outcome Study Dr Christina Marel (presented by Ms Katherine Haasnoot) 12 mins</p> | | | | <p>Early adversity scale for schizophrenia (EAS-Sz): a prognostic risk measure, developed and validated using linked register data Mrs Patsy Di Prinzio 12 mins</p> | <p>A systematic review and meta-analysis of workplace interventions to improve employee job control Ms Jessica Strudwick (presented by Dr Aimee Gayed) 5 mins</p> | |
| <p>The impact of COVID-19 lockdowns on older adults' mental health and social wellbeing Dr Kristiana Ludlow 12 mins</p> | | | | <p>Trauma and the content of hallucinations and posttraumatic intrusions in first-episode psychosis - in program as rapid A/Prof Sarah Bendall 12 mins</p> | <p>Labour force status and mental health among young people with and without disabilities: Evidence from the Longitudinal Study of Australian Children Miss Marissa Shields 5 mins</p> | |
| <p>Changes in Australian Parents' Mental Health During the COVID-19 Pandemic Dr Liana Leach 12 mins</p> | | | | <p>Thai Health Improvement Profile (T-HIP) to promote the prevention and reduction of obesity in people with early psychosis – Preliminary findings from an RCT Prof Daniel Bressington 5 mins</p> | <p>Line-manager influence on employee self-efficacy, meaningful work and engagement Dr Simon Albrecht 5 mins</p> | |
| <p>Depression and anxiety symptoms in the first months of the COVID-19 pandemic A/Prof Lucia Colodro Conde 5 mins</p> | | | | <p>Psychological, Pharmacological, and Complementary Interventions for the Treatment of Co-occurring Psychosis and Substance Use Disorders: A Systematic Review Dr Ewa Siedlecka 5 mins</p> | <p>Psychological workplace interventions to prevent major depression: a model-based economic evaluation Dr Long Le 5 mins</p> | |
| <p>How social determinants shaped the epidemiology of mental health during the pandemic period Dr Marlee Bower 5 mins</p> | | | | <p>Delivering peer groups through online virtual world platforms: a pilot study in headspace early psychosis services Dr Imogen Bell (presented by Dean Kolovos) 5 mins</p> | <p>Psychosocial Risks and Interventions for Mental Ill-health in the Workplace; A Meta-Review of the Evidence Dr Elizabeth Stratton 5 mins</p> | |
| <p>Embracing "COVID-normal": Positive Personality and Posttraumatic Growth in the COVID-19 Pandemic Ms Alesha Prasad 5 mins</p> | | | | <p>An implementation evaluation of TRauma-Informed Psychotherapy for Psychosis (TRIPP) in early psychosis services A/Prof Sarah Bendall 5 mins</p> | <p>The impact of alternative terminology for depression and recommendations on help-seeking intention Ms Jenna Smith (presented by Dr Alana Fisher) 5 mins</p> | |
| | | | | <p>Self-compassion, social support seeking, and psychological well-being in first-episode psychosis caregivers Miss Zoe Waters 5 mins</p> | <p>Randomised controlled trial of the Youth Online Training and Employment System (YOTES): An online career development intervention for young people with mental ill health Dr Magenta Simmons 5 mins</p> | |

| | | | | | | |
|-------------------------|--|---|---|--|--|---|
